

# WELCOMEPOST.dk

## **Guides / DK**

All signs, logos, text and other graphic elements must be sent in the proper format, resolution and aspect ratio.

The files must be supplied as .PNG files (none interlaced) in sRGB color space, with transparency.

The graphics must be delivered in a pixel resolution that fits 1920x1080 pixels.

Preferably in overzise if possible, so that it can be scaled.

Graphic files are to be sent to:

ur@welcomepost.dk

sp@welcomepost.dk

If you have any questions or if in doubt please contact us.
